2021 International Conference on Intelligent Systems Design and Engineering Applications

August 27-29, 2021 | Chengdu, China

ISDEA 2021

On behalf of the Organizing Committee, we are honored to introduce you to **2021 International Conference on Intelligent Systems Design and Engineering Applications (ISDEA 2021)**, which will take place in **Chengdu, China** during **August 27-29, 2021**. This conference provides an idea-exchange and discussion platform for the world's engineers and academia to share cutting-edge information, address the hottest issue in Intelligent Systems Design and Engineering Applications, explore new technologies, exchange and build upon ideas. We're certain you will find the city of Chengdu and the surrounding area to be most pleasant and it will be our distinct pleasure to welcome each of you to the ISDEA.
